Let's Talk Hockey

SPONSORSHIP PACKAGE

THE TRADITION CONTINUES... CELEBRATE INCLUSION
AT PREP'S **LET'S TALK HOCKEY** EVENT!

AN INCREDIBLE NIGHT AT THE SADDLEDOME

After the success of last year, PREP's Let's Talk Hockey event will be returning to the Saddledome in November, 2024! Join our host Rob Kerr as he interviews special guests from across the Flames organization in a fun and relaxed environment. This is a unique chance to hear from Flames players and coaching staff as they share stories from behind the scenes and talk about the season ahead. This year we are excited to welcome the new Flames GM Craig Conroy as our special guest along with others from across the Flames organization. The evening will feature great food, prizes, a silent auction, hockey card trading (a fan favourite), and much more, so come prepared for an exciting night in support of a great cause. All money raised will go directly to **The PREP Society** to provide therapeutic and educational support to children with Down syndrome so they can live active and included lives in their communities. We hope you can join us!

ABOUT PREP

About PREP

PREP is where families who have a child with Down syndrome find expert advice, innovative services, and best of all, hope for their child's future. Our goal is "inclusion for life" and that begins in the home, continues at school, then leads to an active and included life in the community. Parents connect in a welcoming, supportive environment that accepts their child's disability, yet challenges them to expect more. PREP partners with government, community sponsors, and individual donors to provide educational, therapeutic, and family support services that enable each child to achieve his or her own unique potential and help parents become their child's best advocate. PREP is unique in that families can enjoy continuous programming and a variety of innovative services from birth to 18 years.

Our Vision

Individuals with Down syndrome live active and included lives in their communities

Our Mission

PREP provides individuals with Down syndrome, their families, and community members with the information, resources, and skills they need to create the best possible opportunities for inclusion.
