SPONSORSHIP OPPORTUNITIES

ANSWER THE CALL TO SUPPORT INCLUSION AND BE A SPONSOR

Golf for Good is a call to our community sponsors to help PREP raise needed funds and awareness in the community. Sponsors of the PREP Classic - Golf for Good event ensure a successful day at the course, and more importantly, YOU provide additional programs and support for PREP families. Our event goal is to raise enough funds through sponsorship to cover all costs of the day. Because of our sponsors, we are able to proudly announce to all 144 golfers and future advocates that all monies spent that day will go directly to PREP. We understand the magnitude of our ask and know that our sponsors understand the immense impact of PREP's programs.

We invite you to join us in providing individuals with Down syndrome, their families and community members with the information, resources and skills they need to create the best possible opportunities for inclusion. That is what we do! Sponsoring the PREP Classic - Golf for Good event is a chance for your company to publicly demonstrate your support and goodwill to the community, network and build your brand. This year as your company chooses ways to advertise and market your business; we cannot think of a better way to do this than with Golf for Good!

ABOUT PREP

About PREP

PREP is where families who have a child with Down syndrome find expert advice, innovative services, and best of all, hope for their child's future. Our goal is "inclusion for life" and that begins in the home, continues at school, then leads to an active and included life in the community. Parents connect in a welcoming, supportive environment that accepts their child's disability, yet challenges them to expect more. PREP partners with government, community sponsors, and individual donors to provide educational, therapeutic, and family support services that enable each child to achieve his or her own unique potential and help parents become their child's best advocate. PREP is unique in that families can enjoy continuous programming and a variety of innovative services from birth to adulthood.

Our Vision

Individuals with Down syndrome live active and included lives in their communities

Our Mission

PREP provides individuals with Down syndrome, their families, and community members with the information, resources, and skills they need to create the best possible opportunities for inclusion.
